

Why did ServeINC produce Mary Poppins?

The mission of **ServeINC** is to exalt the name of Jesus Christ in the Albany community by uniting Albany area churches in pursuit of community service, worship and prayer. **ServeINC Theatrical Productions** contributes to this mission by offering high quality theatrical productions to the people of Albany and the surrounding area. It is our hope that patrons and performers alike will deploy this meaningful theater experience to advance the **ServeINC** mission.

We are blessed to have an exceptionally talented cast and directors. They have been working long hours on this production. I am sure they would appreciate an enthusiastic response from the audience. Thank you for coming.

– Jerry McIntosh Producer, for the ServeINC board

Bringing Mary Poppins to life has been an absolute joy and adventure. This story reminds us that a little wonder, imagination, and kindness can transform the ordinary into something extraordinary. Our cast and crew have poured their hearts into creating a world where rooftops become playgrounds, songs bring families together, and magic is never too far away. At its heart, Mary Poppins is about family—the struggles, the laughter, and the love that holds us together—and it is our hope that this performance reminds you of the importance of cherishing those moments with the ones you hold dear.

– Janey Jefferson, Director/Choreographer

We want to give special recognition to the Linn-Benton Community College staff. Thank you Lawrence Lajoie, Ken Long, Sawyer Finegan, Zack Stevens, and all the public safety officers. You are a skillful and supportive group.
